In the Claims:

Cancel non-elected claims 1-5, 14, 15 and 17 to the filing of a continuation thereof.

3. The following is an examiner's statement of reasons for allowance: Because

- o independent rewritten claim 16 recites the elements of allowable claim 6 and is distinguished from the prior art references as argued by the Applicant in the remarks of 5 October 2005; and

o new independent claim 18 and its dependent claims 19-22 recite elements that the prior art references does not disclose in conjunction with the other elements of the claim 18 as argued by the Applicant in the remarks of 5 October 2005, wherein the recited incoming voltage and reduced voltage are read in light of the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
